

King's Student Charter for a Flourishing Life

We agree that it is a privilege to gain admission to King's Christian Collegiate. Jesus teaches us to love God with all your heart, soul, mind and strength and to love your neighbour as yourself (Matthew 22: 37-39). This is the heart of God and the heart of the gospel. Consistent with this direction, it is our goal that all students and staff respect each other as they perform their work from day to day.

Together we agree that a high school education is a valuable, spiritual and academic experience. King's Christian Collegiate strives to equip students to grow "in wisdom and stature, and in favour with God and man" (Luke 2:52). It is the goal of the staff to achieve this mission by delivering a superior program that is integrated with the Word of God. To achieve these goals, good work is required by the student and the teacher.
